

ISG+ Secondary School Fee policy 2024-2025

International School Ghent Secondary School (ISG+) is a private, fee-paying school offering a very competitive fee structure compared to other international schools in Belgium. School fees are comprised of a registration fee and tuition fee and are revised annually by the Board of Directors.

Registration fee €950

Payable once per family at time of application. Payment of the registration fee secures class placement. Any application made without payment of the registration fee does not guarantee admission. This fee is non-refundable.
